

Phonak Audeo™ L.

Product information

Phonak Audeo L is the comprehensive RIC portfolio for mild to profound hearing losses. Phonak Audeo L includes three designs, four performance levels and five external receivers, including the ActiveVent™ receiver.

Powered by the innovative technology of the Phonak Lumity platform, Phonak Audeo L hearing aids are the solution for those clients that prefer flexible and discreet RIC housings.

¹ IP68 indicates that the hearing aid is water and dust resistant. It survived continuous immersion in 1 meter of fresh water for 60 minutes and 8 hours in a dust chamber as per the IEC60529 standard.
² Actual charging time depends on the remaining battery life, but it will not exceed 3 hours.

Phonak SmartSpeech™ Technology

SmartSpeech Technology represents our dedication to designing features that improve speech understanding and reduce listening effort in various listening environments¹. Our heritage of features include Speech Enhancer, Dynamic Noise Cancellation and Motion Sensor Hearing. With Phonak Audéo™ Lumity we introduce two new features: StereoZoom 2.0 and SpeechSensor in addition to the existing benefits of ActiveVent™ Receiver and RogerDirect™ Technology.

Phonak Audéo L Trial

The Phonak Audéo L Trial hearing aids can be quickly set to the desired performance level in order to suit your recommendation. All levels of technology in one Phonak Audéo L Trial hearing aid provides you with many options for providing the hearing solution at the first appointment or bridging the gap during repairs.

Phonak Audéo L charging options

Phonak Charger Ease

The Phonak Charger Ease is a compact charger with magnets in the charging slots that make it easy to insert and remove Audéo L-R and RT. It uses a standard USB-C charging port that lights up when power is applied.

Phonak Charger Case Go and Phonak Life Charger

There are two options available for Audéo L-RL. Phonak Charger Case Go features a built-in battery that can charge two hearing aids up to three times. Both chargers use a standard USB-C charging port and the LED on the back lightens up when power is applied.

life is on

Since 1947, Phonak is dedicated to preserving life quality by opening new acoustic worlds. Already back then, in the days of our foundation, our company was driven by a formative conviction: We believe that well-hearing equates to well-being and thus is essential for living life to the fullest. In fact, the sense of hearing is directly linked to social, emotional, cognitive and physical well-being. Today as in future, we strive to offer the broadest portfolio of innovative hearing solutions. And, together with our hearing care professionals, we keep on focusing on what matters most: improving speech understanding, changing people's lives and having a positive effect on society as a whole.
