

Phonak Naída™ Paradise

Phonak Naida P offers a powerful hearing experience to help you communicate, connect socially, and thrive emotionally.

Naída Paradise is compatible with RogerDirect™

Roger remote microphones from Phonak help you to understand more speech in challenging situations³, e.g., in background noise, over distance, as well as when the speaker is wearing a face mask.

life is on™

At Phonak, we believe that well-hearing equates to well-being and is essential to living life to the fullest. For more than 70 years, we have remained passionate about creating a world where 'life is on' for everyone. Our innovative hearing solutions are designed for people of all ages and all degrees of hearing loss, to connect socially, thrive mentally and emotionally.

Discover the Wonder of Powerful Sound

Phonak Naída™ Paradise

There's nothing like the sound of Paradise

A Sonova brand

Designed with Well-Being in Mind

When you hear well, you are well equipped to embrace the life you want. Growing evidence shows that treating hearing loss can positively impact your social-emotional, cognitive and physical well-being.¹

Social-emotional well-being
Hearing well allows us to be socially active, connect with others, and communicate effectively – without barriers.

Cognitive well-being
The brain plays a crucial role in listening and speech understanding – it's important to keep it stimulated. That's where hearing aids come into play.

Physical well-being
Hearing well provides you with greater environmental awareness fostering feelings of security and confidence.
