

Building a hearing care program for children: Technology and beyond

A pre-conference meeting sponsored by Phonak

If you are attending the Coalition for Global Hearing Health Conference in Tempe AZ, USA, make sure to not miss this free of charge pre-conference meeting. The presentations will be given by key experts in the pediatric field with ample time available for questions and interactions.

Program:

- Prof. Patricia Roush, Department of Otolaryngology, University of North Carolina School of Medicine, USA – "Using evidence based protocols to develop a comprehensive program of pediatric hearing care"
- Dr. Edie Gibson, Clinical Specialist, Advanced Bionics – "Optimizing protocols and parent engagement for children with hearing loss"
- Sherri Fickenscher, Education Support Specialist/Early Intervention Provider at Clarke Schools for Hearing and Speech - "The key to healthy brain architecture is responsive caregiving"
- Janet DesGeorges, Executive Director, Hands & Voices – "International resources and supports for families"

The meeting will take place on Friday, October 25, 2019 from 1pm to 4pm, Coor Hall 2201, Arizona State University in Tempe. Please register for the conference and the Phonak sponsored pre-meeting here: <https://cghh.usu.edu/Registration.cfm>
