Why not ask your hearing care specialist for more information?

Life is on

We are sensitive to the needs of everyone who depends on our knowledge, ideas and care. And by creatively challenging the limits of technology we develop innovations that help people hear, understand and experience more of life's rich soundscape.

**Interact freely. Communicate with confidence. Live without limits. Life is on.**

# Phonak Dalia

The essentials of hearing  
in a broad range of styles

## Phonak Dalia benefits

Joining in with conversations in an outdoor environment. Catching up at the family reunion. Enjoying the laughter of children and the sound of birds singing.

The enjoyment of these simple pleasures is now more affordable than ever with the new Phonak Dalia range of hearing aids.

### Hear the full spectrum of life's sounds

Enjoy again the joyful laughter of children playing. The sweet melodies of birds singing. The ability to hear and understand even high-pitched voices clearly. SoundRecover, a Phonak-exclusive technology, helps you to enjoy the full spectrum of life's sounds again.

### Relaxed conversations

Actively participating in conversations inside a restaurant. Hearing fellow passengers in a car or on a train. Innovative Phonak UltraZoom Essential technology will help you to understand speech more clearly, even in background noise.

### No whistling

Have you experienced the annoying whistling sound that hearing aids can produce in certain situations? Thanks to Phonak WhistleBlock this is a thing of the past.

### Live life freely come rain or shine

Go jogging in the rain. Relaxing by the beach. Enjoy a good workout at the gym. The Phonak Dalia M H2O with its special water- and dust-resistant housing provides optimal protection and reliability, allowing full freedom to enjoy all your favorite activities.

### Maximum discretion and ultimate comfort

Phonak Dalia comes in a range of seven models, ranging from extremely small and discreet in-the-ear forms to stylish behind-the-ear models, providing a solution for a wide range of hearing losses and personal preferences.
