

Bridging the understanding gap

The sound of the voice is picked up by the Roger microphones and sent to the Roger receivers.

Please contact your hearing care professional to learn more about Roger for Education.

Life is on

At Phonak, we believe that hearing well is essential to living life to the fullest. For more than 70 years, we have remained true to our mission by developing pioneering hearing solutions that change people's lives to thrive socially and emotionally. Life is on.

PHONAK
life is on

Active participation in the modern classroom

A modern classroom is made up of many elements which create a dynamic learning environment. From peer-to-peer work and lectures to activities using multimedia, it's a place designed for both students and teachers to participate, engage, discuss and truly interact.

Roger for Education portfolio

The Roger for Education portfolio is carefully designed to support students and teachers in the classroom.

Pick up the sound...

Roger Touchscreen Mic

Simple and intuitive microphone for teachers to wear or place on a table to pick up speech from a group of students

Roger Pass-around

Can be passed from one student to another, allowing the child with hearing loss to hear not only the teacher but also classmate comments

Roger Multimedia Hub

Connects to any multi-media device used in a classroom for group activities or for an individual student

... and bring it to the child

There is a Roger receiver for every child, regardless of the hearing technology they are currently using.

Roger X

Compatible with virtually all hearing aids and cochlear implants and can be wirelessly installed in devices with RogerDirect™

Roger design-integrated receivers

Designed for specific Phonak hearing aids and cochlear implants (CIs) from Advanced Bionics, Cochlear, and MED-EL

Roger MyLink

An easy-to-use Roger receiver worn around the neck and compatible with any hearing aid or cochlear implant with T-Coil

Roger Focus

A discreet receiver for those who struggle in noise e.g. children with UHL, APD or ASD
