

Managed Care/Insurance Billing & Compliance Services

by Audiology Resources

Audiology Resources specializes in maximizing your practice's efficiencies and profitability while maintaining the highest levels of state and federal compliance.

Depend on our audiology consulting services to streamline all your patient interactions and processes, from appointment scheduling to the final payment. Hundreds of practices and organizations have turned to us to solve their most pressing and problematic operational, compliance, coding, reimbursement, and training issues.

All of our projects are driven by the specific, individual needs of your practice. Every proposal we present is created using a 'shopping list' format, allowing you to select which specific items, if any, you would like for us to develop for your practice. All processes, policies, forms, and documents are customized to your practice and its individual needs. Additionally, they will be provided to you in a format that can be easily changed or modified.
