Phonak Audéo Marvel’s multifunctionality and sophisticated operating system, AutoSense OS™ 3.0, goes beyond delivering simply outstanding amplification.

When you need a hearing aid that delivers the highest quality hearing performance, the ultimate in listening comfort, and is easy-to-use, look no further than the new Phonak Audéo Marvel.

Hearing performance — exceptional sound experience
With a combination of sophisticated technologies Phonak Audéo Marvel delivers an exceptional sound experience ensuring optimized speech understanding and sound quality no matter where you go or whatever you do.

Connectivity — direct to Bluetooth® devices*
Connect seamlessly and effortlessly to Bluetooth® devices such as a smartphone or tablet. Direct connectivity delivers clear, hands-free calling and the ability to stream your favorite music or podcasts to both ears with exceptional sound quality.

RogerDirect™ — new levels of speech understanding.
Roger™ technology offers the best hearing over distance, in noise as well as in group conversations. Phonak Audéo Marvel with RogerDirect connects wirelessly to Roger microphones so you’ll never miss a word.

Rechargeable — full day use including streaming
Built-in lithium-ion rechargeability means you’ll always stay connected and never have to deal with a battery ever again.

Remote Support — professional advice via an app
Direct connectivity allows fine-tuning of the hearing aid settings remotely through an app installed on your smartphone. You can even use it to connect with your hearing care professional without having to visit their office!

Call your local Hearing Care Professional and receive a FREE hearing screening and demonstration of the Phonak Audéo Marvel hearing aids.
